

AMSIG 2014 - Annual Scientific Meeting 3rd May, Brisbane, Australia

Theme: Interventional Musculoskeletal Radiology

The Australasian Musculoskeletal Imaging Group (AMSIG) was founded in 1992. The group provides a forum for the professional development of musculoskeletal imaging in Australia and New Zealand.

On behalf of the 2014 Organising Committee and the Australasian Musculoskeletal Imaging Group (AMSIG), we invite you to join us at the 18th Annual Meeting to be held on 3rd May 2014 in Brisbane, Australia.

This single day meeting is a dynamic event featuring presentations focusing on contemporary Interventional Musculoskeletal topics. The theme for the 18th Annual Meeting will be **Interventional Musculoskeletal Radiology with a focus on upper limb, spine, pelvis & lower limb.**
